

**Institute of Science and Technology (IST)**  
**CSE 5<sup>th</sup> Semester Class Routine- 2024**  
**Session: 2020-2021**  
**Classroom: 210**  
**Effective from: 12/05/2024**

**Group A: 21001 – 21045 & Group B: 21046 - 21095**

| Day       | 1:30pm-2:20pm       | 2:30pm-3:20pm       | 3.30pm-4.20pm       | Computer LAB<br>11.00am-1.00pm        |
|-----------|---------------------|---------------------|---------------------|---------------------------------------|
| Sunday    | CSE-530201<br>(SHS) | CSE-530207<br>(NL)  | CSE-530203<br>(MSH) |                                       |
| Monday    | CSE-530203<br>(MSH) | CSE-530201<br>(SHS) | CSE-530205<br>(TST) | CSE-520222<br>(LH) (Group-A) (Lab-1)  |
|           |                     |                     |                     | CSE-520224<br>(TS) (Group-B) (Lab-2)  |
| Tuesday   | CSE-530207<br>(NL)  | CSE-530205<br>(TST) | CSE-530201<br>(SHS) | CSE-520226<br>(SHS) (Group-A) (Lab-1) |
|           |                     |                     |                     | CSE-520222<br>(LH) (Group-B) (Lab-2)  |
| Wednesday | CSE-530207<br>(NL)  | CSE-530203<br>(MSH) | CSE-530205<br>(TST) |                                       |
| Thursday  |                     |                     |                     | CSE-520224<br>(TS) (Group-A) (Lab-1)  |
|           |                     |                     |                     | CSE-520226<br>(SHS) (Group-B) (Lab-2) |

| Course Name                                         | Course Teacher              |
|-----------------------------------------------------|-----------------------------|
| CSE-530201 Peripheral and Interfacing               | Sanjida Hoque Shoshey (SHS) |
| CSE-530202 Peripheral and Interfacing Lab           |                             |
| CSE-530203 Data and Telecommunications              | Md. Shamim Hasan (MSH)      |
| CSE-530204 Data and Telecommunications Lab          |                             |
| CSE-530205 Operating System                         | Tasmi Sultana (TST)         |
| CSE-320206 Operating System Lab                     |                             |
| CSE-530207 Economics                                | Nafia Laila (NL)            |
| CSE-520222 Database Management System Lab           | Lutfi Habiba (LH)           |
| CSE-520224 Microprocessor and Assembly Language Lab | Tania Sultana (TS)          |
| CSE-520226 Design and Analysis of Algorithms Lab    | Sanjida Hoque Shoshey (SHS) |
